

For Lesson 10 Mini-Project each one of the steps 2 – 5 will ask you add to your project to complete a scene this was my project I did

These were the sprites I searched and used

This is the code I used for the scene

```
1 var bear = createSprite(200, 200);  
2 bear.setAnimation(▼ "bear_1");  
3 var ice = createSprite(200, 270);  
4 ice.setAnimation(▼ "ice_cream_1");  
5 ice.scale = 0.3;  
6 background(▼ "lightblue");  
7 fill(▼ "green");  
8 rect(0, 300, 400, 100);  
9 fill(▼ "yellow");  
10 ellipse(0, 0, 200, 200);  
11 drawSprites();  
12 fill(▼ "purple");  
13 textSize(35);  
14 stroke(▼ "yellow");  
15 strokeWeight(3);  
16 text("I Love Ice Cream!!!", 60, 380);
